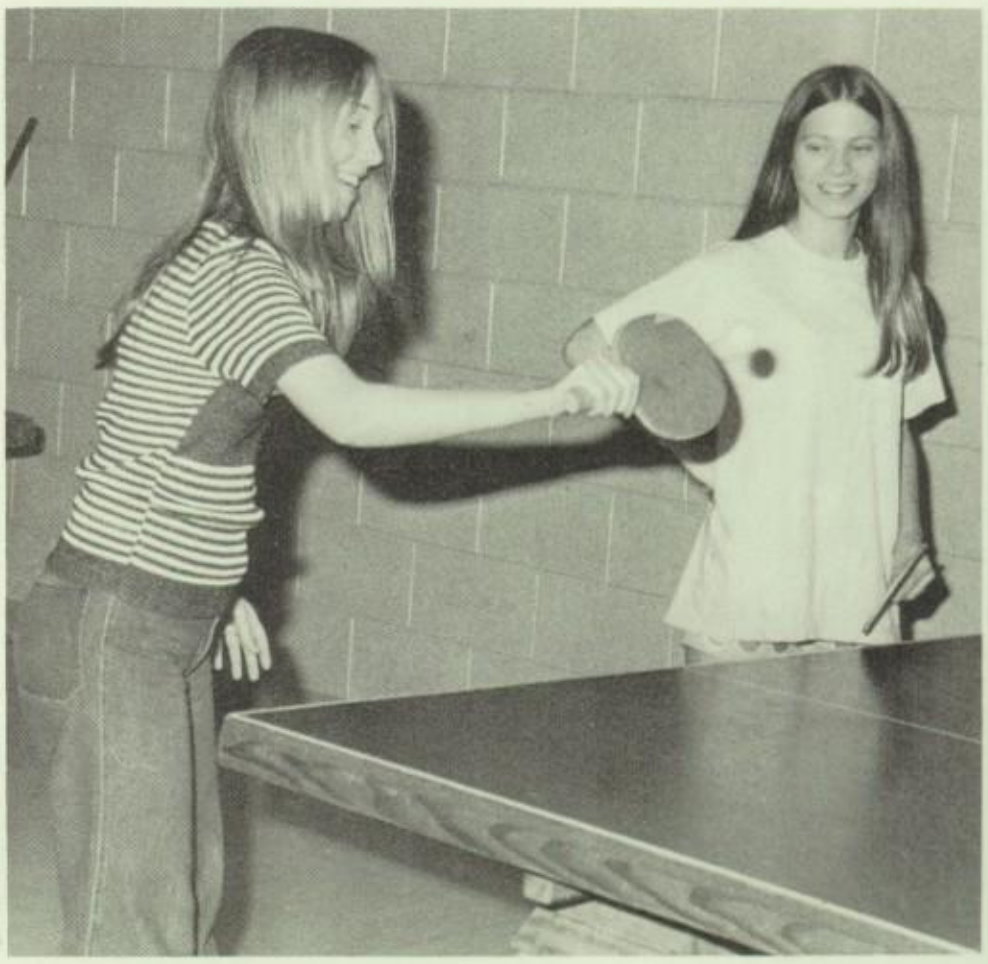
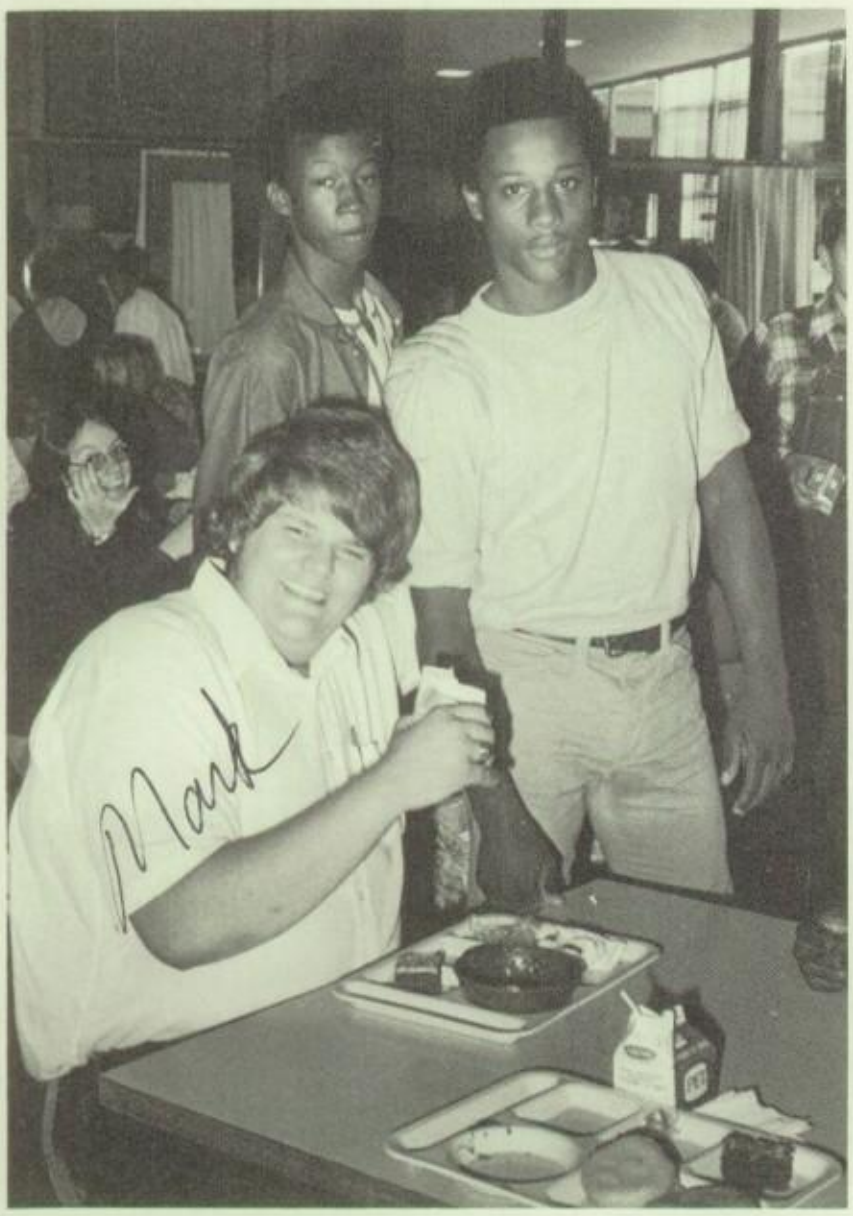
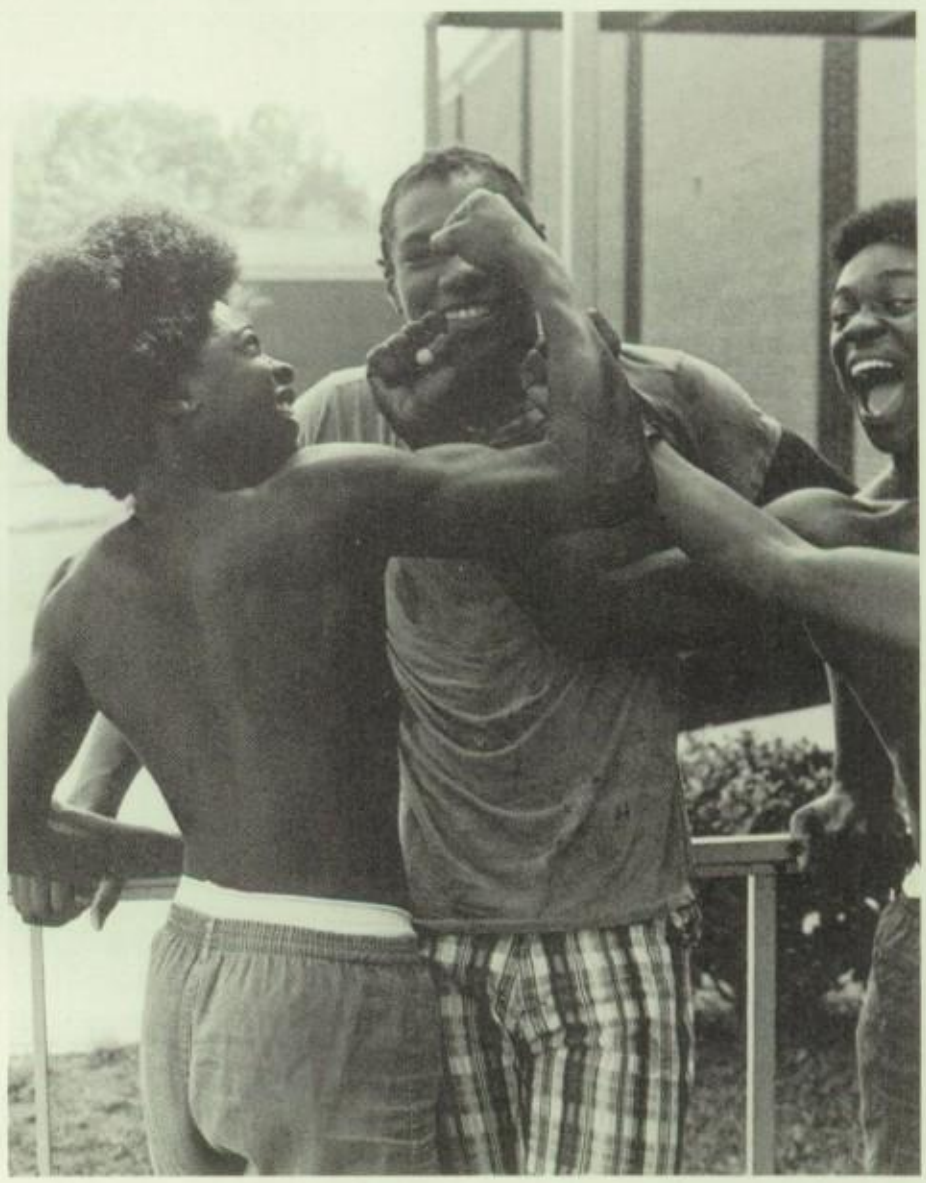
CELEBRATION!

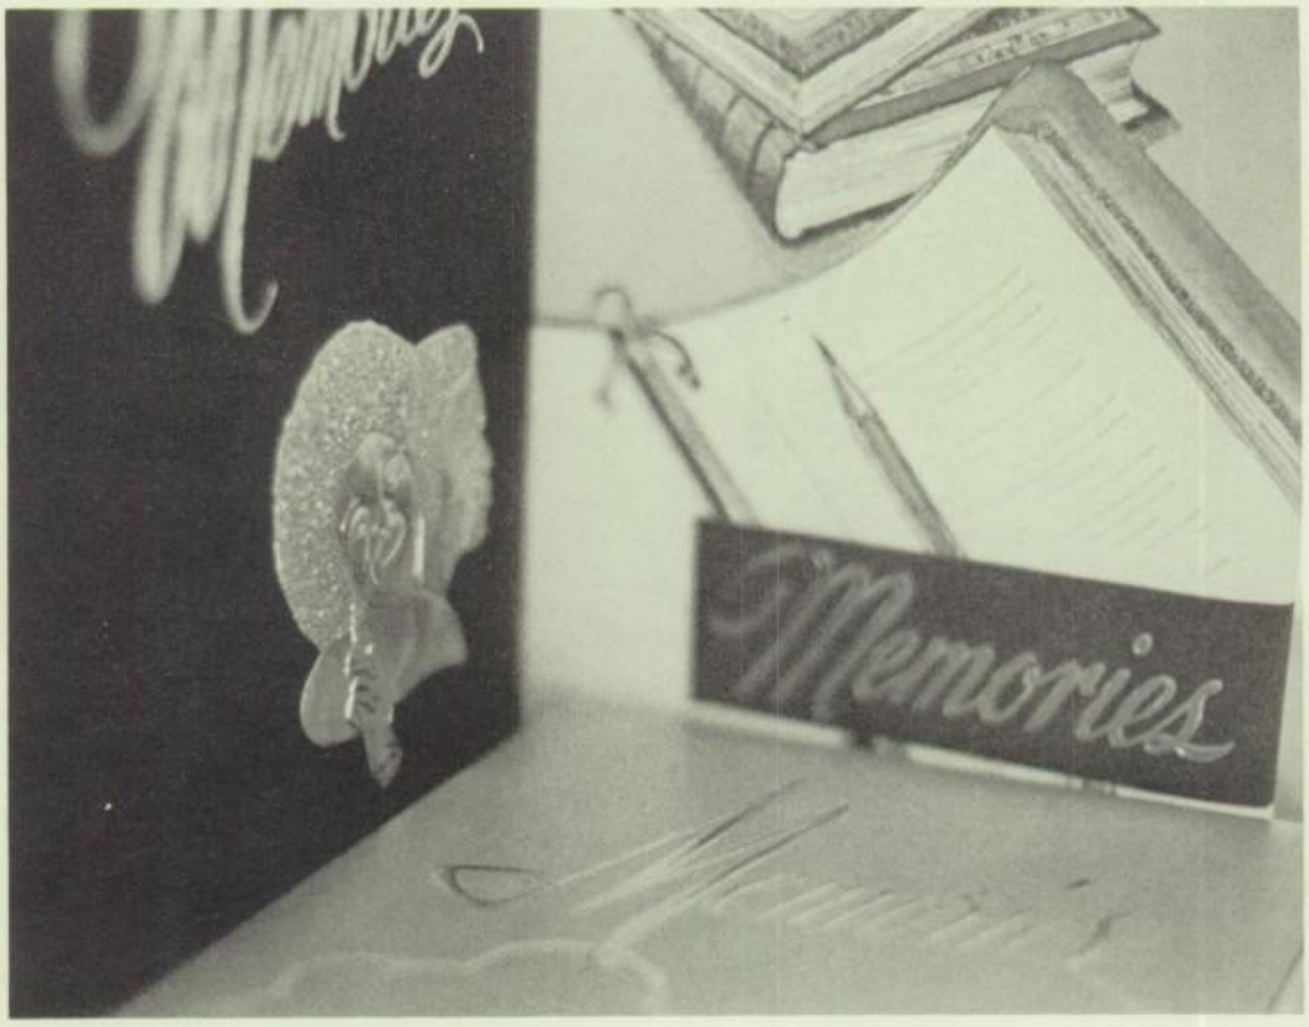
HOW GREAT THAT FEELING OF HAPPINESS!

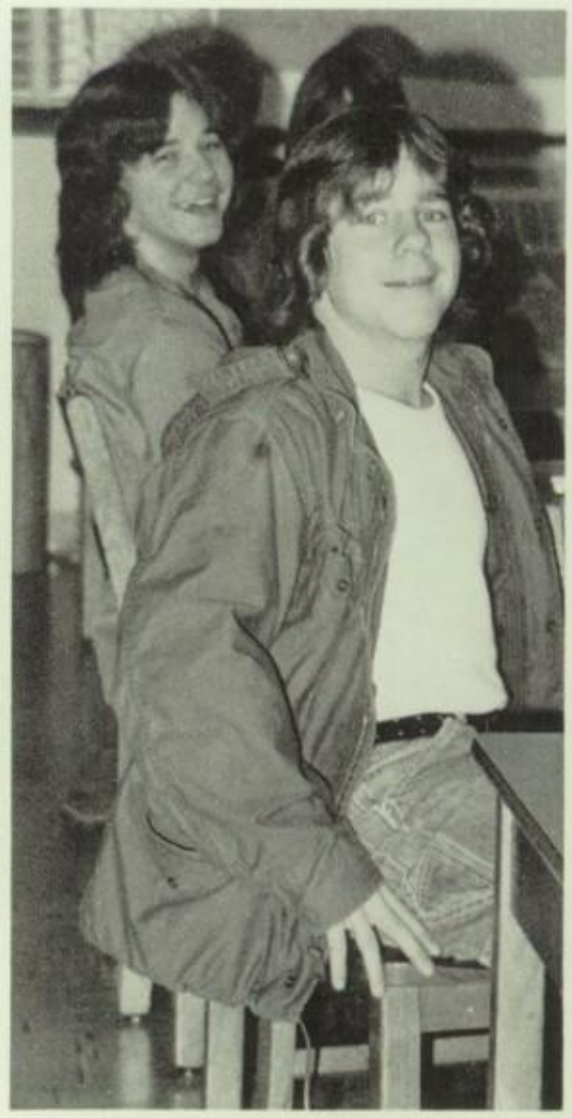






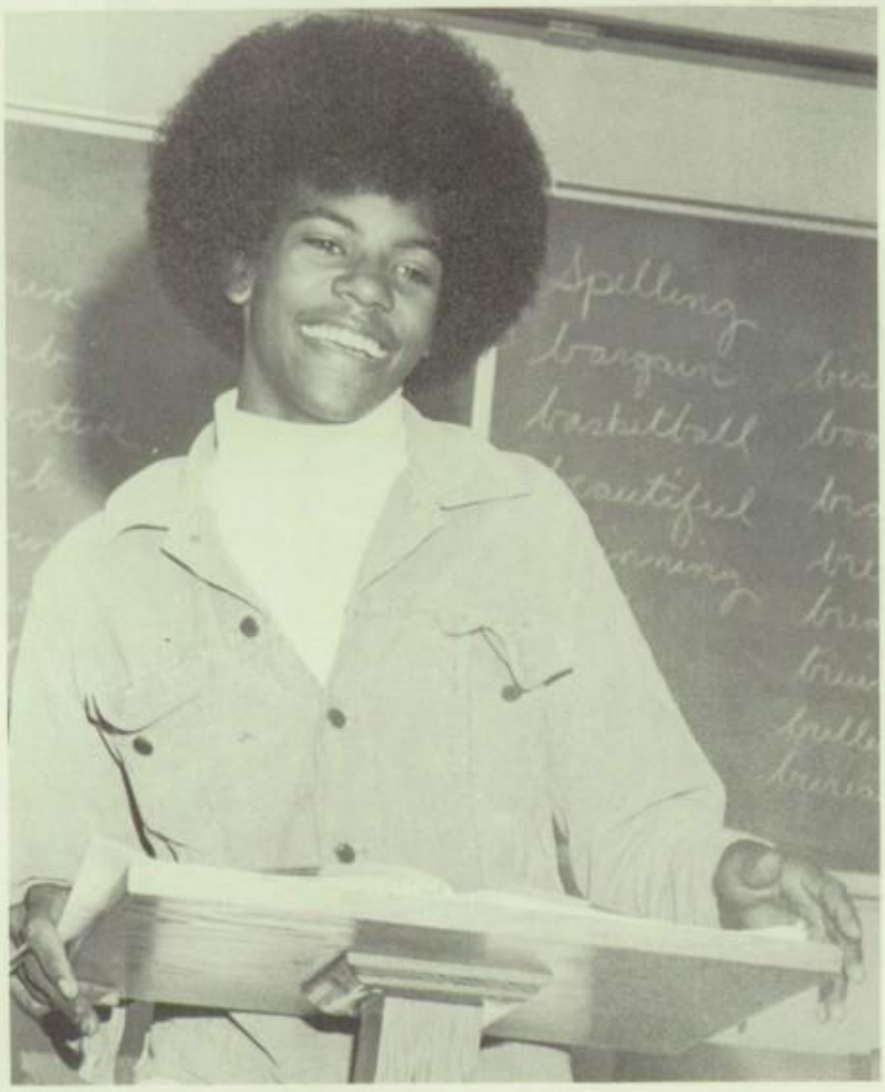
Whether we care to admit it to just ourselves or others — School Is Fun! The days filled with laughter and spent with good friends will linger for many years to come.



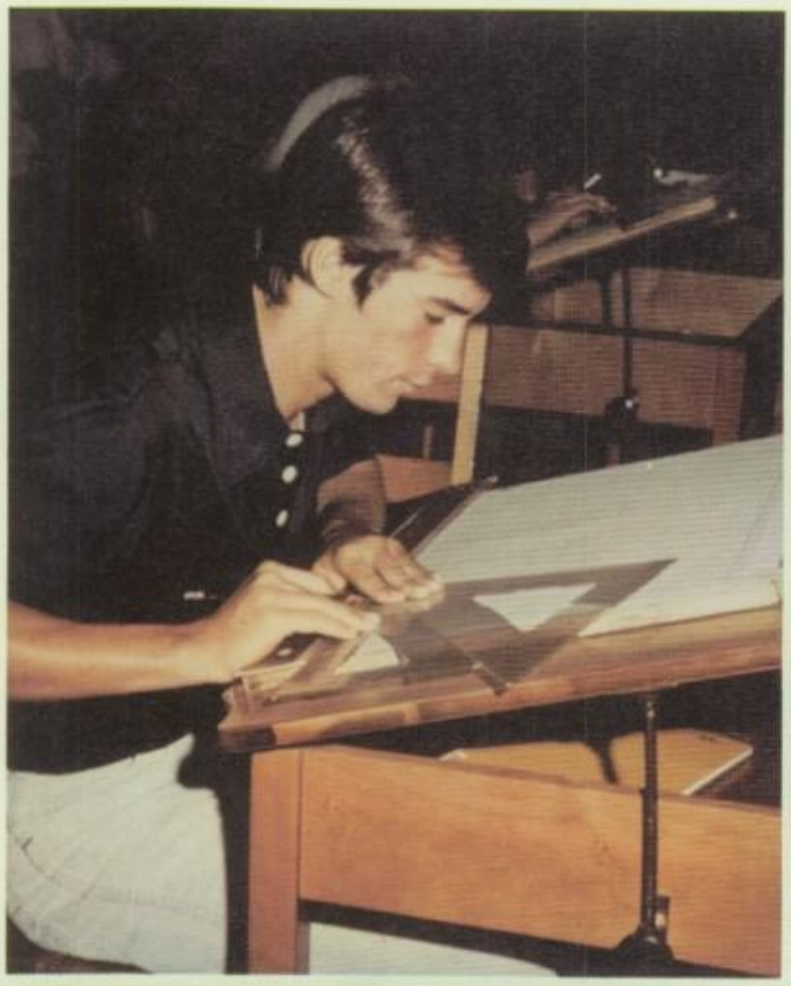


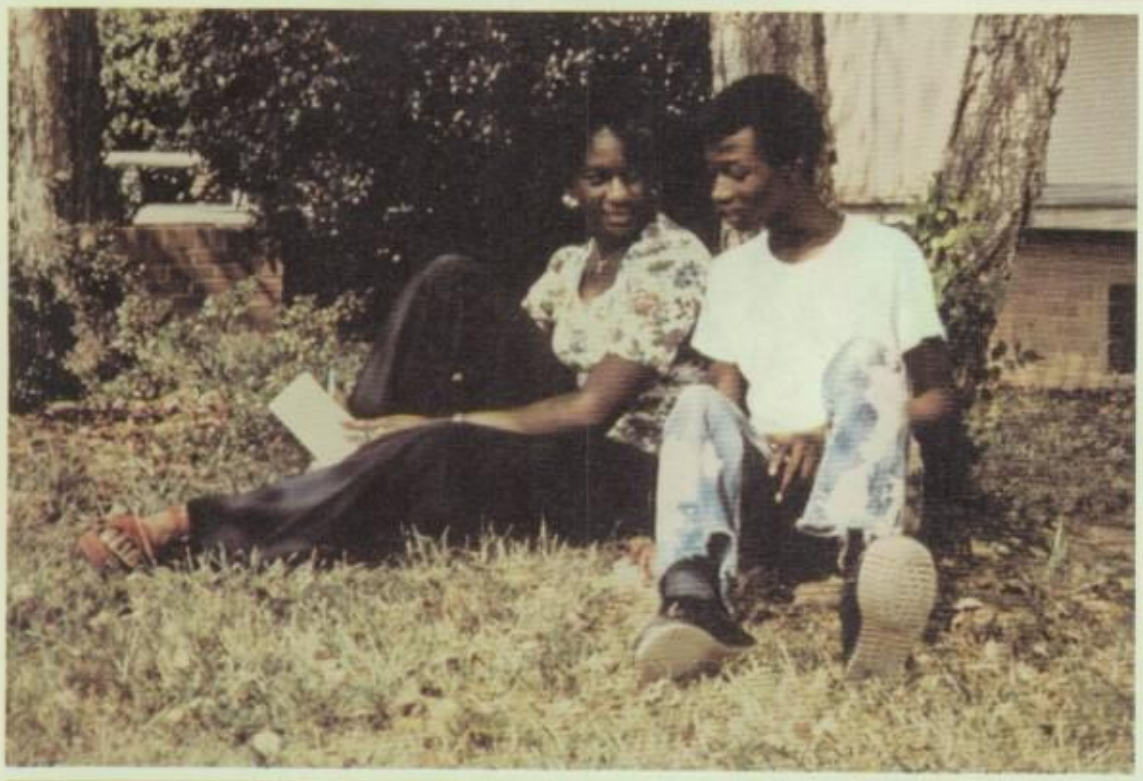
During the course of a year we find there are times of laughter and sorrow, loving and hating, speaking and silence, forgetting and remembering. To appreciate these feelings you must have experienced each one. Laughter does not seem so great until you are involved in a time of sorrow when there is no happiness. You cannot realize the importance of love until you experience the feeling of hatred. Sometimes you can accomplish much more with silence than you can with a lot of loud, boisterous talk. Although there are many bad times you think will be with you forever, usually only the happiest times prevail!

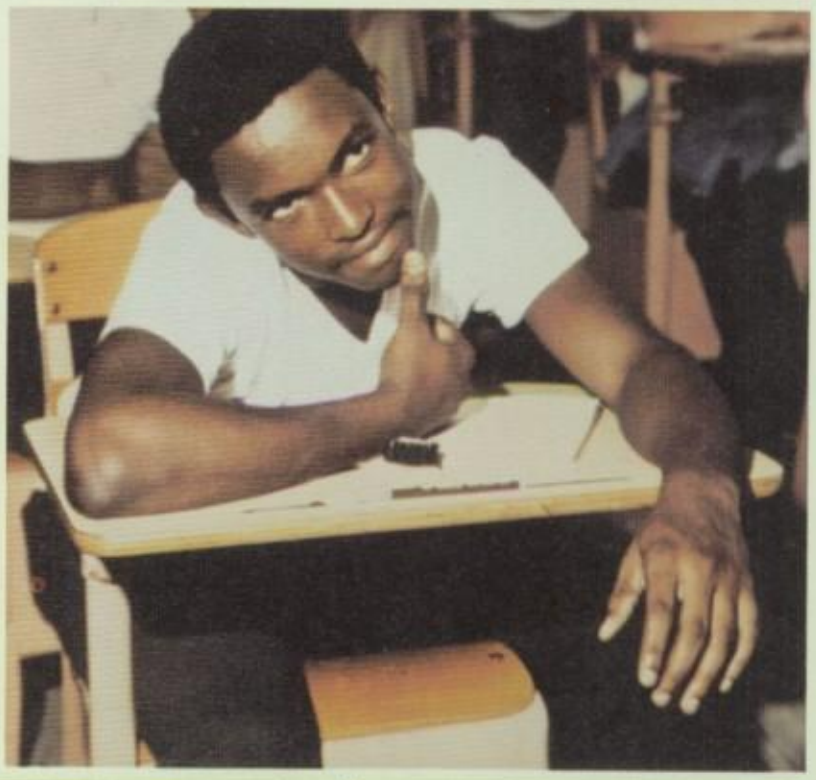
HAPPINESS PREVAILS

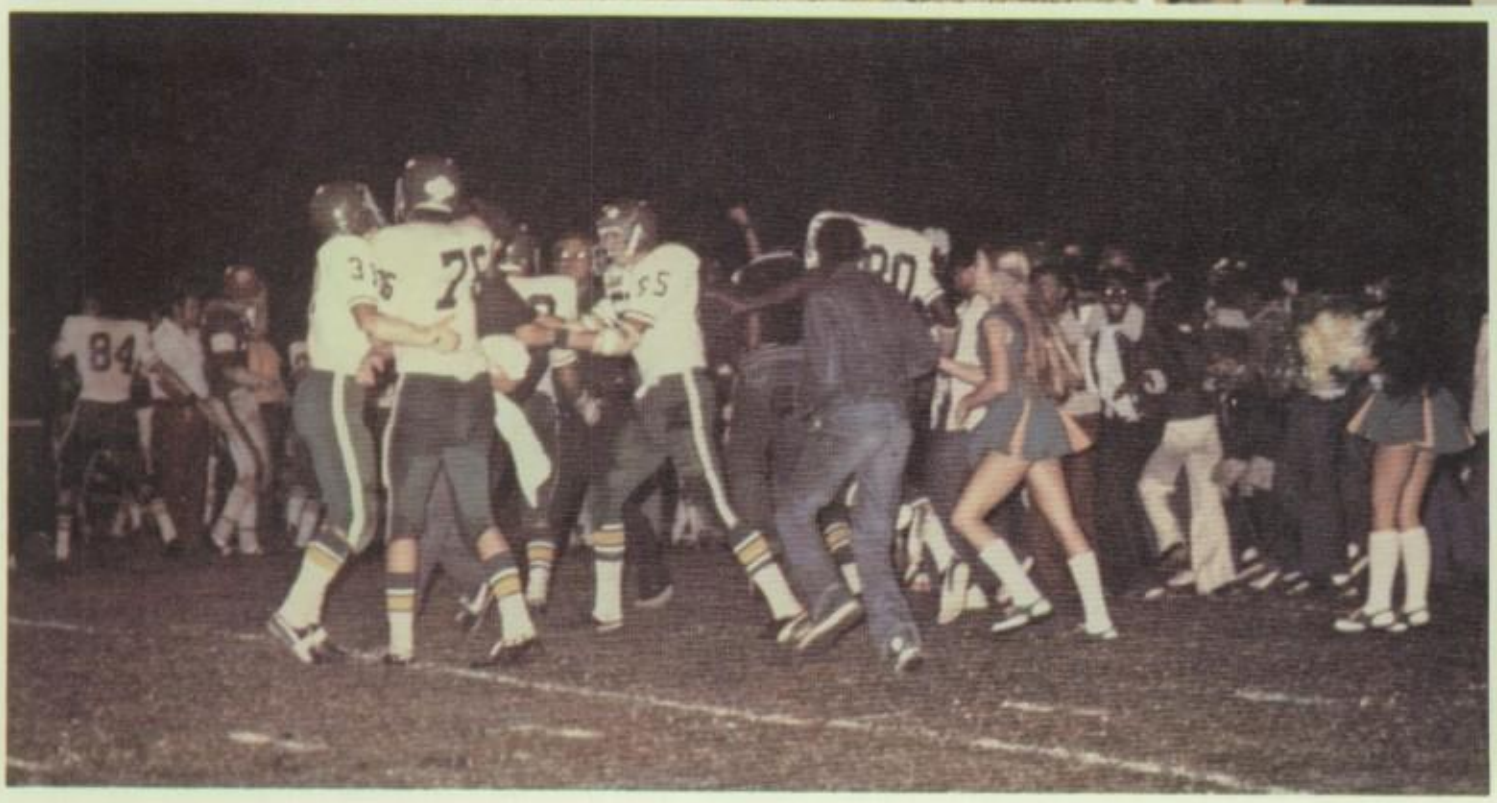


No matter how trying your times may be,
remember there's always a time for celebration!



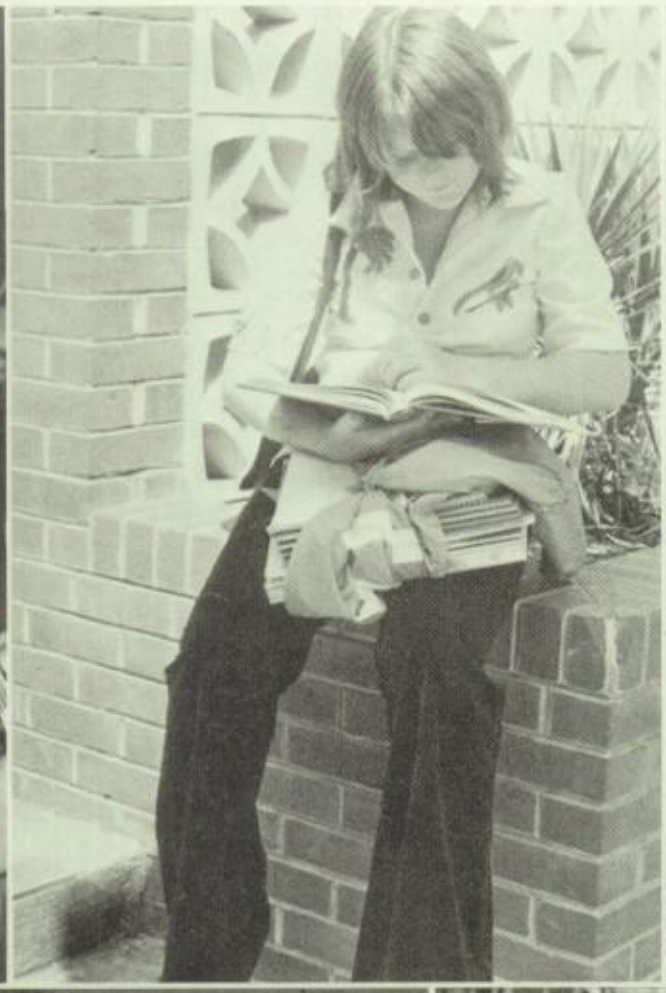






HOME

CELEBRATE

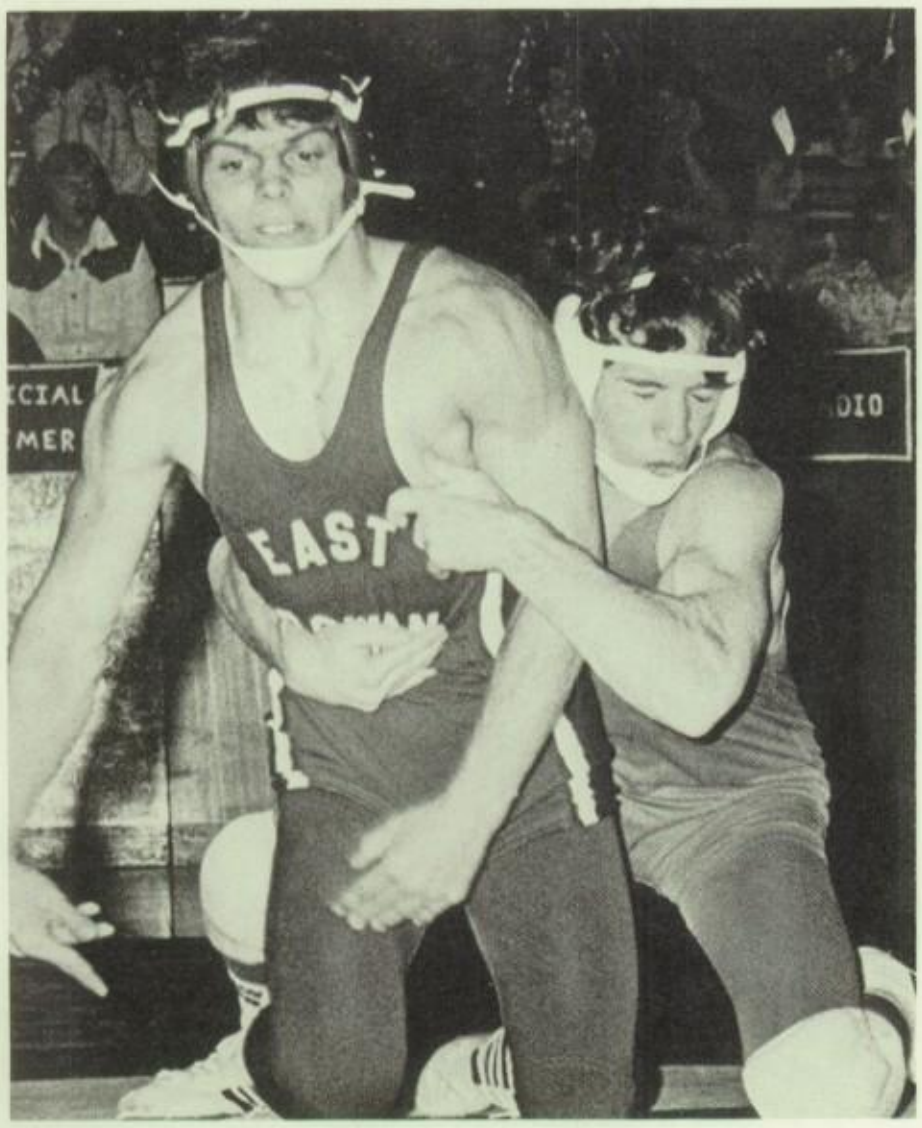


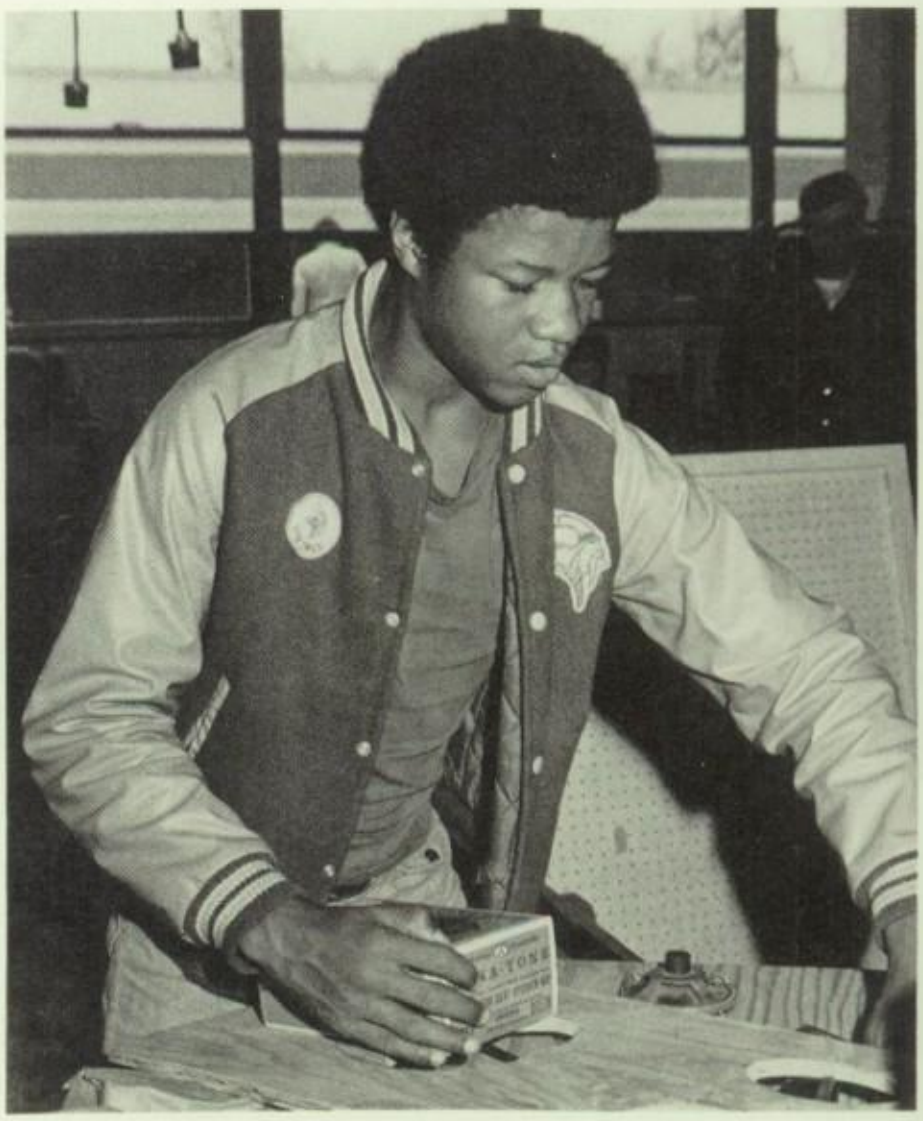
Creativity begins by discovering what you are looking for and experimenting with it until you have made your design. When you have your design, work with it until it is perfectly molded. Only your creativity can make your kind of celebration. If you wait, it may never come.

CREATIVITY

Creativity within the individual is his only real weapon against becoming a robot. Sharing his creativity with others can cause a great sense of fulfillment and self-satisfaction. FIRST GEAR shared their creativity with us. Students responded to their creativity by dancing, clapping, and singing along with the music.

CELEBRATE REWARDS OF CONCENTRATION



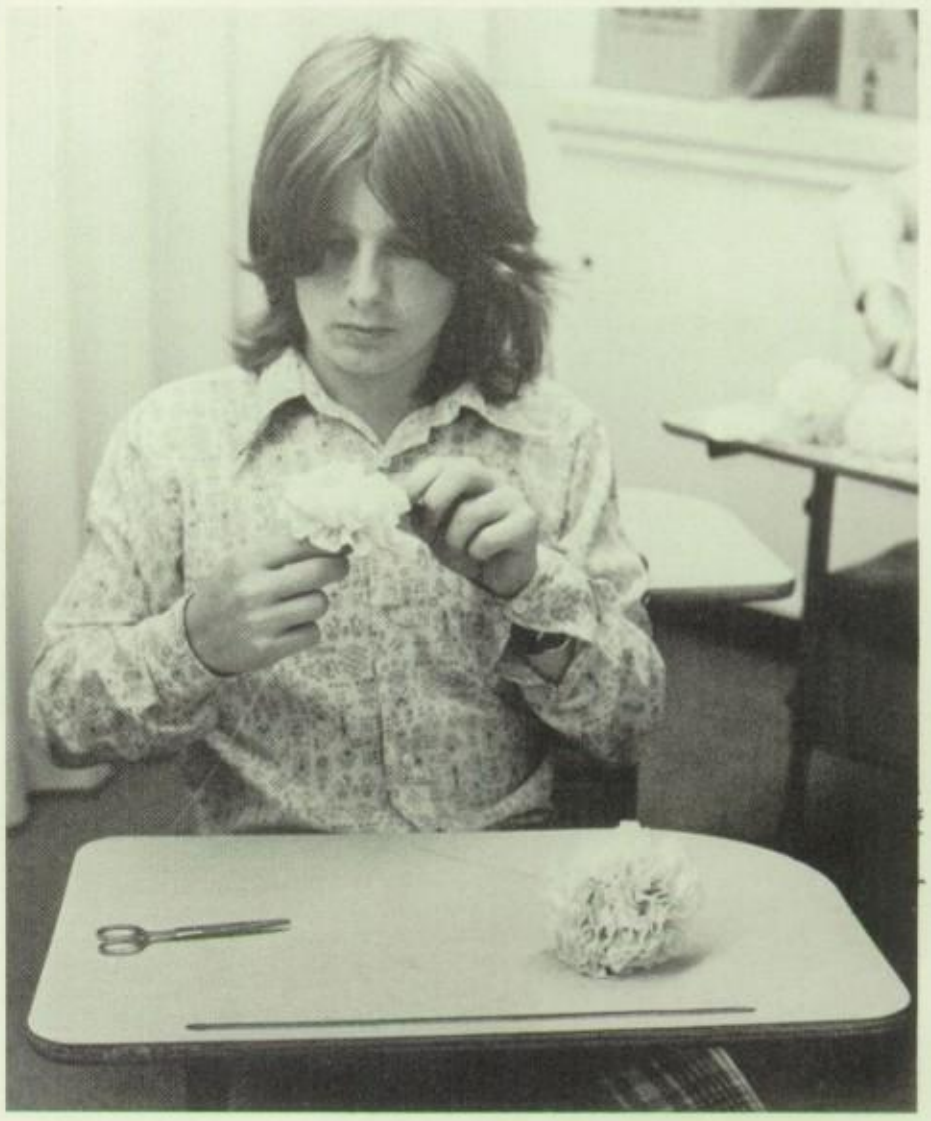


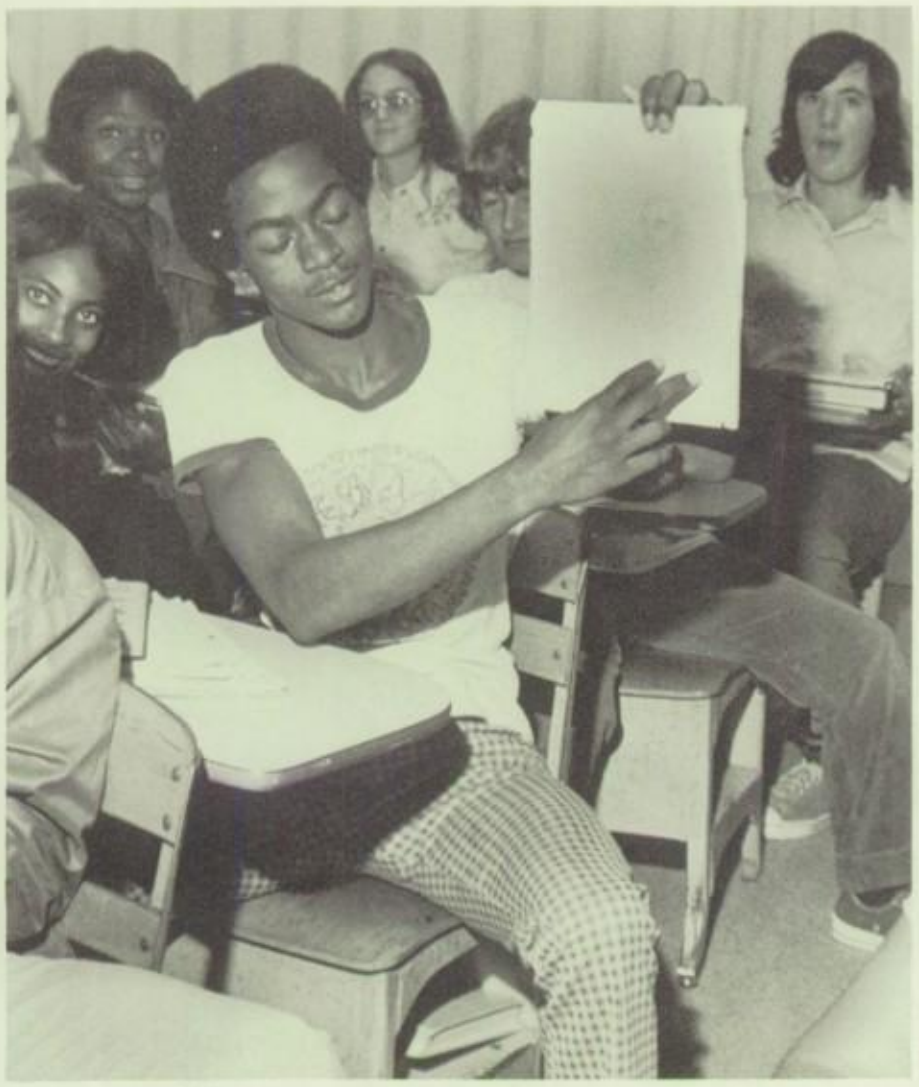
Rewards of concentration,
Final products of tasks;
Both mental and physical,
"Is it worth it?" one asks.

The joys of working together,
The trials of being apart;
The tribulation of terrible weather,
And the happiness of a new start.
Through these experiences we grow,
From everyday people we know.

THE JOYS OF WORKING

MARVEL AT YOUR INDIVIDUALITY





How boring life would be
if we were all alike.
Be proud of what you like
and what you do!
Be happy when you excel
in your speciality!
Celebrate your
talents and your individuality.

CAVS OPEN WINNING SEASON WITH 28-6 WIN

The Cav's first score came on a 43 yard pass play from Stimey Roberson to Leonard Alexander. The terrifying Cavalier defense caused West Davidson to fumble on its own 20 yard line resulting in a score five plays later by Mark Sturgis. West Davidson scored its only touchdown a few minutes later but the Cav's defense stopped the two point conversion try short of the goal line. The Cavaliers scored twice in the last half closing out their first game ramp over the Green Dragons.

FIELD GOAL CLIMAXES WIN OVER EAST

The powerful Cavaliers again continued on their winning ways with a 14-0 shutout of West Rowan. Fans were delighted the next week when the mighty Cavs demolished North Iredell 46-0. A few weeks later came what was to be the most dramatic game of the season for all the fans and players. We defeated East Rowan 15-14 with a last second field goal by Marty Thompson. All the Cavaliers played a superb game.

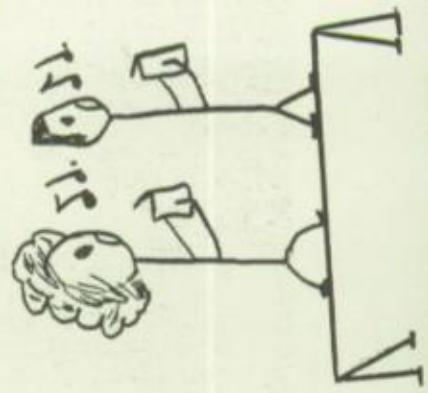
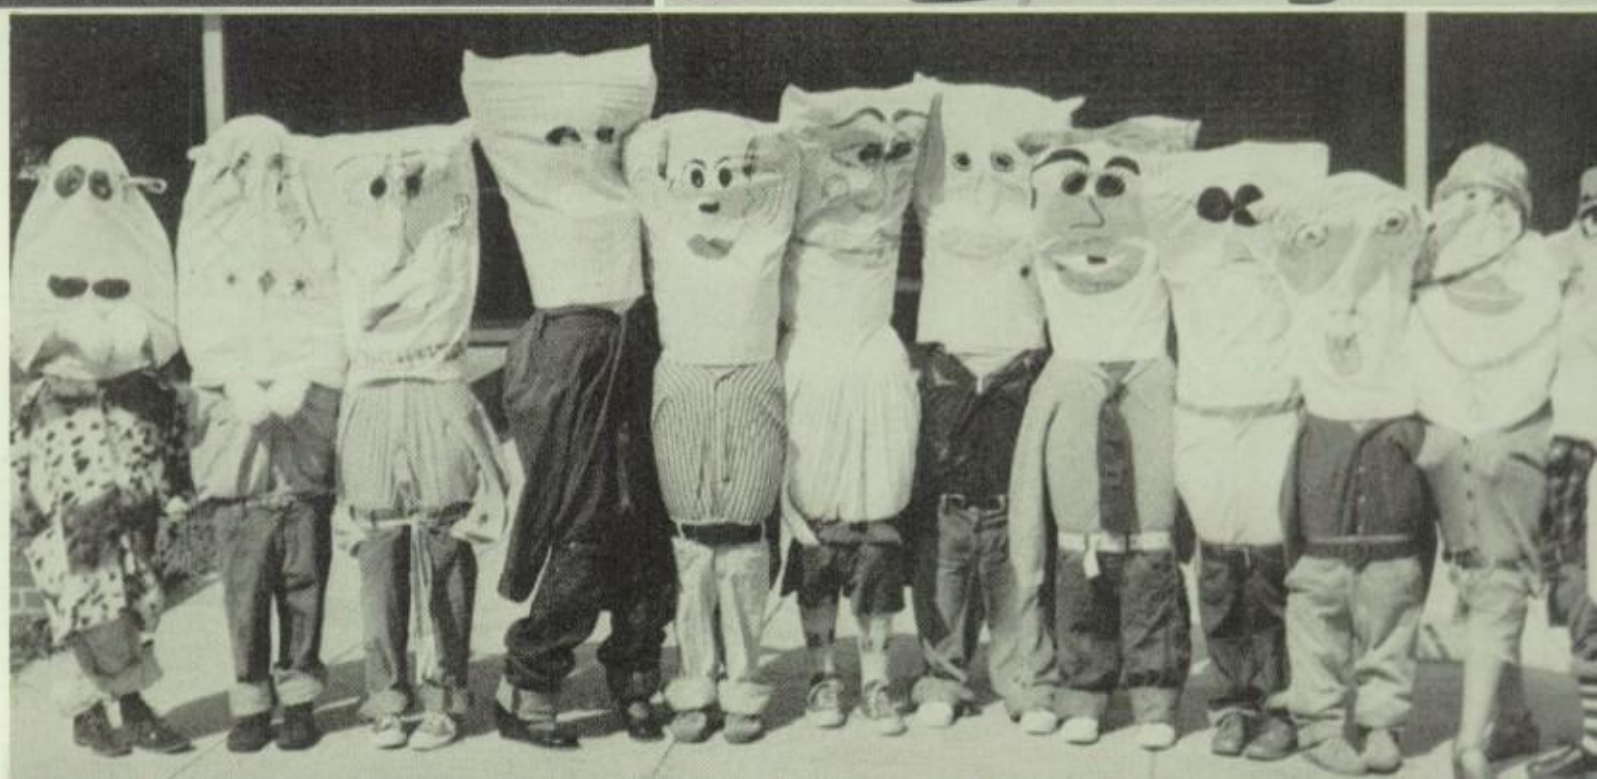
DAYS of WORK
DAYS of Fun
CELEBRATE!



by SRA

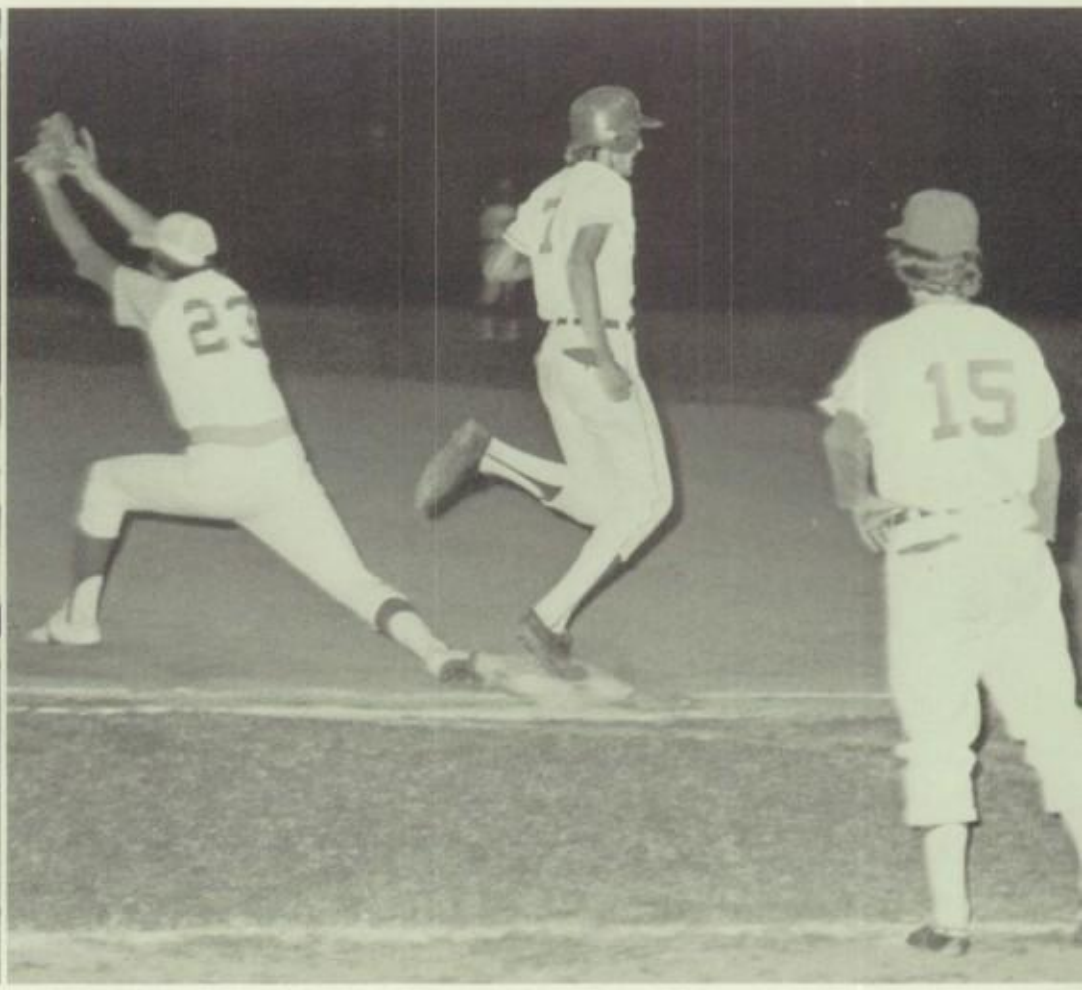


There's fun galore
when people assume
a new identity.
Clowns, funny people,
nostalgia buffs, even
teachers make the day
happier, brighter,
and fun for all.

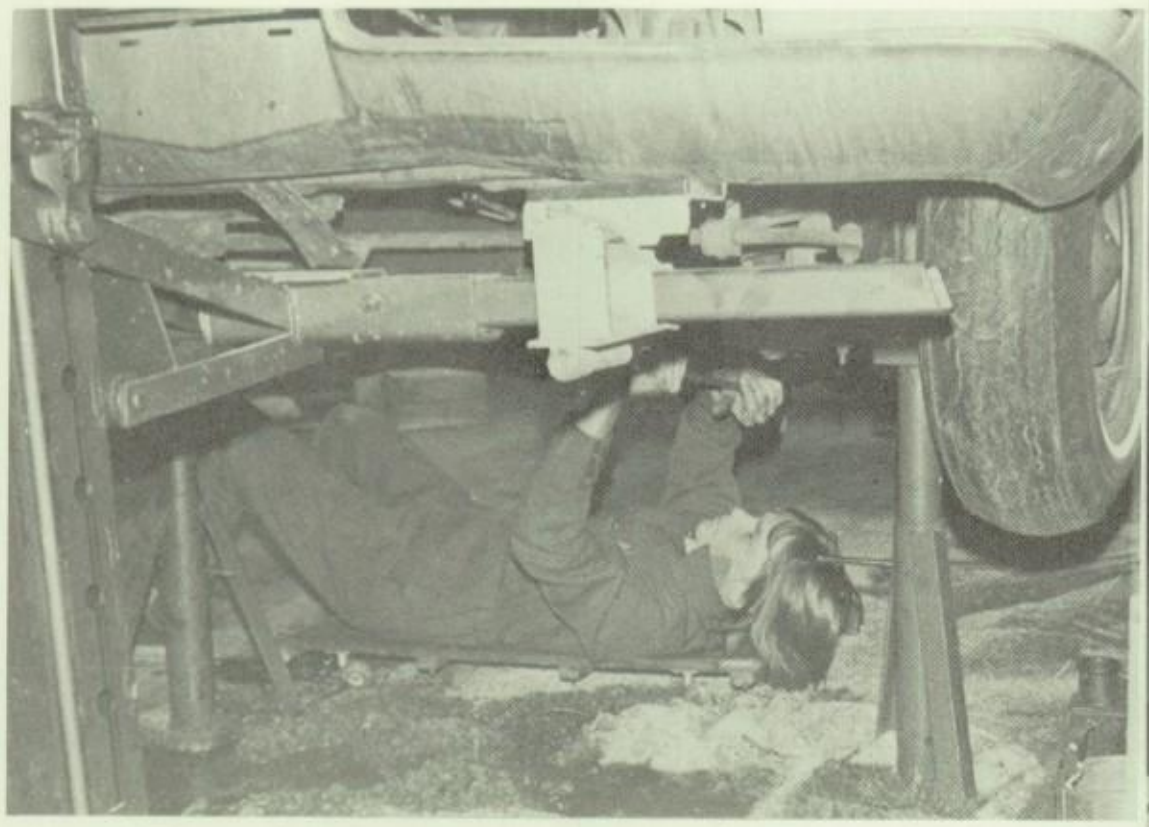
CELEBRATE BEING A STUDENT

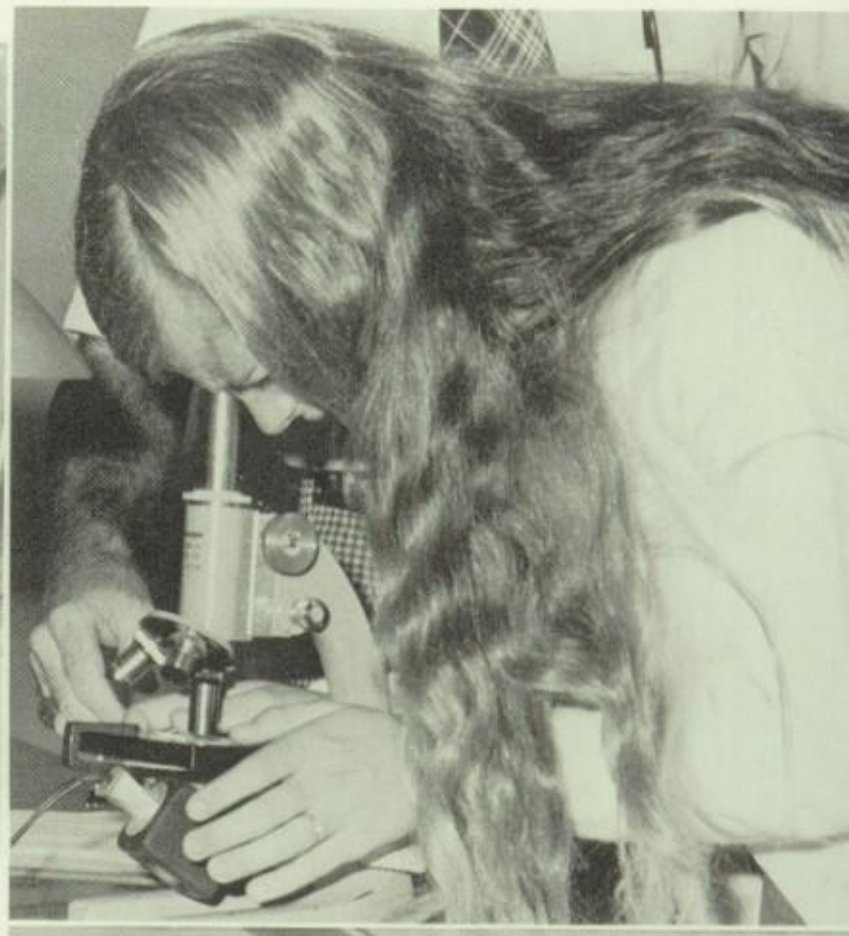
Do your own thing on
the track,
journey to Charlotte to
hear the Great Cronkite,
see the screaming
Deacon perform, or hang
your art in the hall.
It's all part of the
big world of school,
and surprisingly,
it's sometimes fun!

Celebrate friendship . . .
For one could not exist without friends.
Celebration is not a lonely thing;
It exists in the lives of those of us
Who share smiles and friends.



Celebration exists in competition,
It exists in shouting as you never have before.
It exists each day
Monday through Friday
When the magic time of three o'clock rolls around.





Learning is also a time of celebration. We celebrate when the soup does not burn, when we finally find that darned paramecium that keeps running back and forth on the slide, when the French horn section does not mess up for once, and when Billy has to explain something to Elinor!

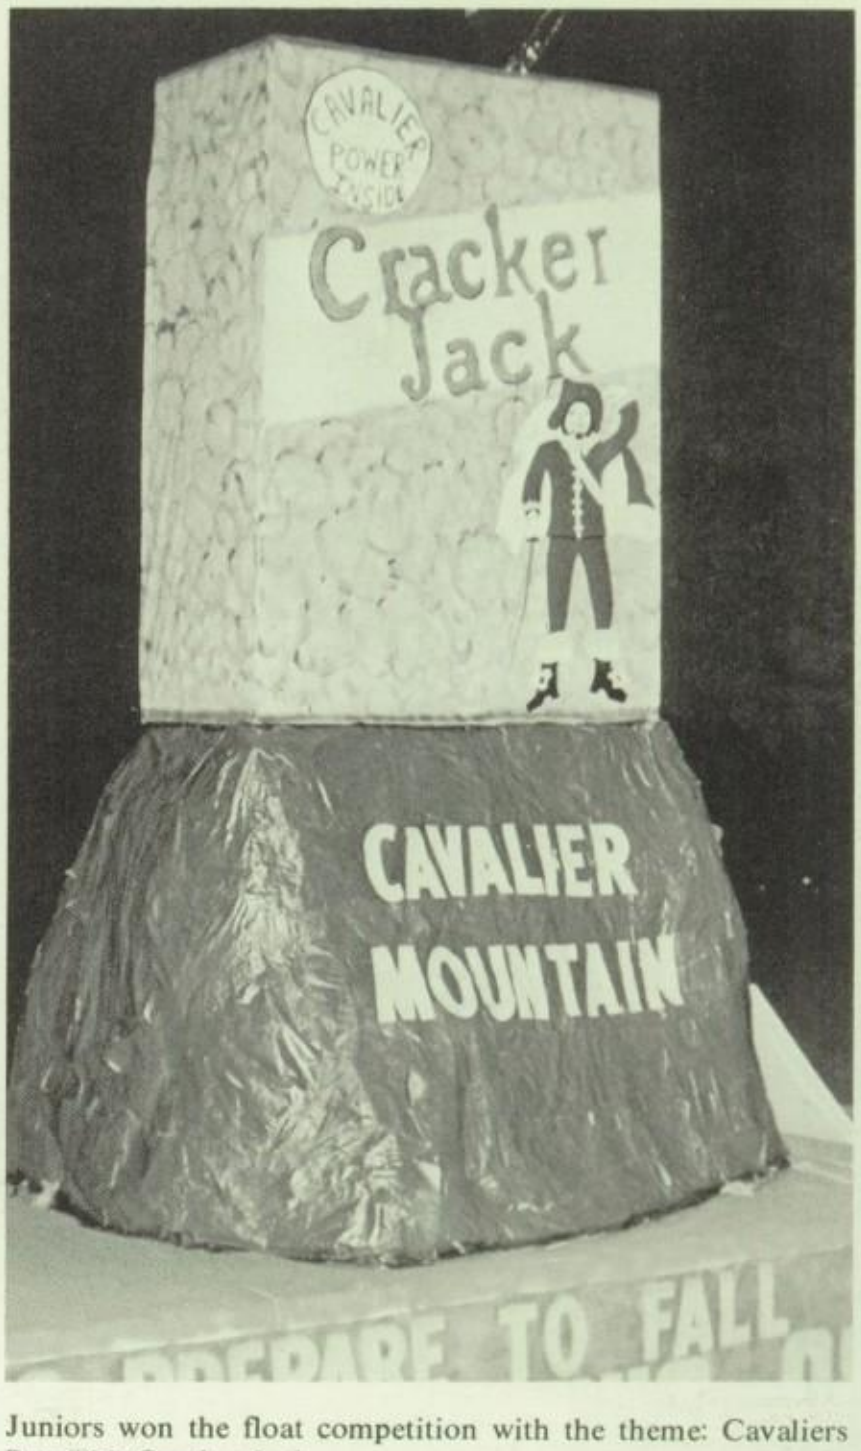
HOMECOMING 1975

The week of Homecoming 1975, was a week filled with fun for all students. Patriotic Day, Nostalgia Day, Senior Day, Spirit Day, and Varsity Day were observed during the week. Students worked frantically to finish floats for competition and for the parade. Unfortunately, the rains came and came. The parade was rained out, however, the Cavalier spirit was not dampened. Homecoming night the beautiful queen was crowned, and the mighty Cavaliers had a great victory over the Mooresville Blue Devils.

Homecoming festivities were climaxed when the Cavaliers defeated the Mooresville Blue Devils 29-6.



Juniors won the float competition with the theme: Cavaliers Run This Cracker Jack.

Along with boosting our spirits, the Deamon Deacon also crowned our lovely Queen.

CELEBRATE, CELEBRATE, DANCE TO THE MUSIC . . .

As the theme suggests, Prom Night 1975 was truly "A NIGHT TO REMEMBER." The court consisted of Cynthia Stoner, Tammy Watson, Robin Snider, Jeannie Corriher, Sharon Long, and Terri Holshouser. The students partied and jammed to the sounds of ZEQUILLUS. May 3, 1975, was a night of . . .

A night of ecstacy was in store for Miss Robin Snider as she was crowned queen.

"JUNIOR MARSHALS"

What! Junior Marshals celebrating at the Dairy! And what are these born brains doing there? L-R Smiling, sexy SUSAN BRANDT seems to be sticking ice cream up her nose, while cunningly, crafty KATHY KLUTTZ seems to be lusciously licking her lips before biting a great big cherry. CHIEF ELINOR WARE wistfully watches her cold ice cream hoping to melt it with her radiant brain waves, while CO-CHIEF BOBBY BALL intently but earnestly watches the cameraman with his X-Ray eyes. Sensuous SARAH HINKLE discreetly defines the HH sign, while mastermind TERRI GREENARD mysteriously mingles under the mistletoe. Straightfaced DANNY SEAMON silently sits a safe distance from Susan, but near Sarah (ah-hah) and understanding JENNY PATTON utilizes her useful utilities to the utmost.

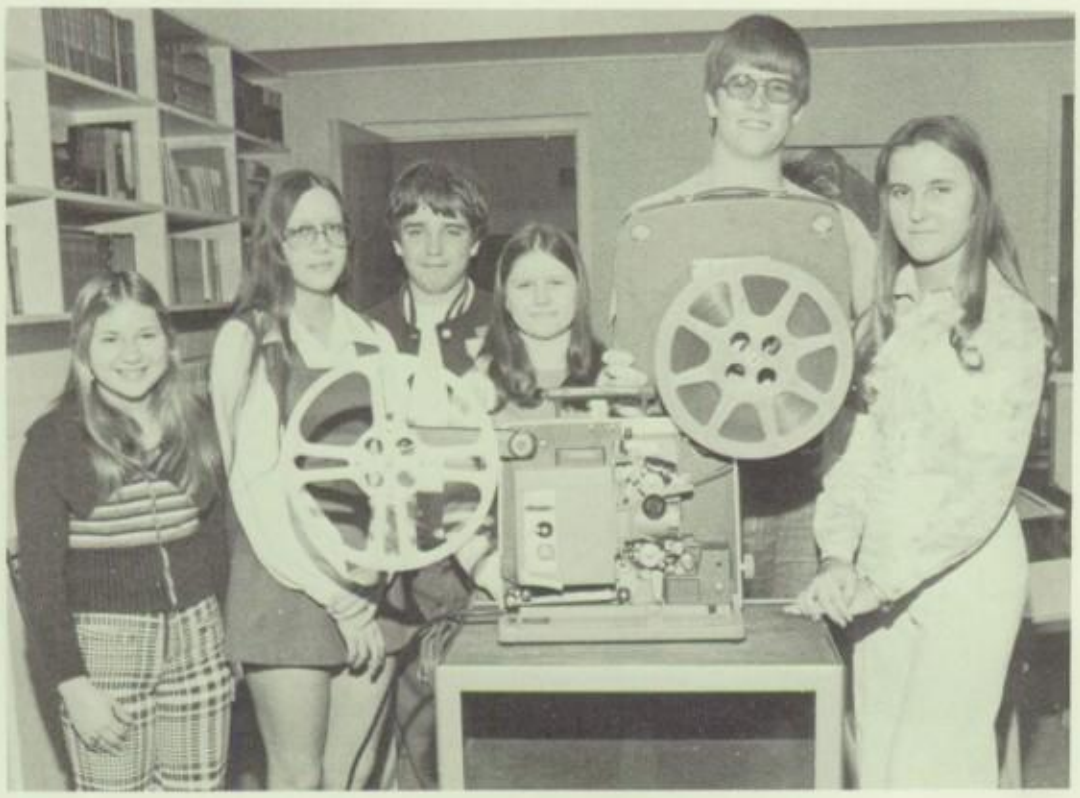
Raising money for Ann Hill is just one of the many projects that the Human Relations and Publicity Committees were in charge of this year. In order to reach the goal, the Student Council sponsored a Bucket Brigade in Spencer on Sunday. They collected from teachers and homerooms and plastered the school with posters. The united efforts of the school paid off as collections totaled $1,165. By caring for others, the Student Council helped all of us celebrate our good fortunes.

Sarah Hinkle, Sherry O'Hara, Teresa Mills, Susan Smithey, Greg Allen, Judy Parker, Terressa Hall, Phyllistine Smith, Jill Kluttz, Andrea Robinson, JoAnn Stevenson, Kelly Rabon, Lisa Eagle, Cindy Camp, Regina Davis, Bonnie Goodlet, Deborah Lee

The Ways and Means Committee was in charge of decorating the lobby for Christmas and making mail boxes. Free postal service was furnished to all North Cavaliers during the Christmas and Valentine season. The Student Council had a part in helping all students celebrate these special holidays.

STUDENT COUNCIL



Terresa Graham, Vicki Daniels, Gary Atwell, Carol Corriher, Marty Thompson, and Tonya Drew

The Student Council, in an effort to raise money for the school, sponsored movies during the weekend. Although some terrific movies were shown at prices well below local theatre admissions, student support was poor. With a little more student participation, the project could have been a success, and all students would have benefitted from the money raised.

Cone fabrics have stood for freedom from the start...since 1895, when America began living in them. The first to come to light was deeptone denim, and Cone became the leading manufacturer of this famous fabric. Next, came corduroy, an equal winner. But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 81-year history.

Today, with 23 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel, fabrics for home-sewing—even polyurethane foam and dyestuffs are now part of the Cone family of products.

The employees of Cone Mills—approximately 14,000 in all—are proud of their part in creating basic fabrics that are the backbone of American casual fashion.

Cone®

Would you like to be a part of the Cone team? Contact us at any of our plant locations in the following communities:

Cliffside, Forest City, Gibsonville, Greensboro, Haw River, Henrietta, High Point, Hillsborough, Pineville, Reidsville, Salisbury, North Carolina; Carlisle, Cheraw, Greenville, South Carolina; Haleyville, Alabama; Tupelo, Mississippi.

THOMPSON

Freda,
I wish I had known you better all these other years. You are a very individual person + a good friend. I wish you + Jimmy (or whoever) all the luck there is. I'm sure you'll do just fine in the future. I don't know of a more worldly person than you. You've traveled all over the world. Well, good bye to the ideal legal secretary.
Love, Tracey

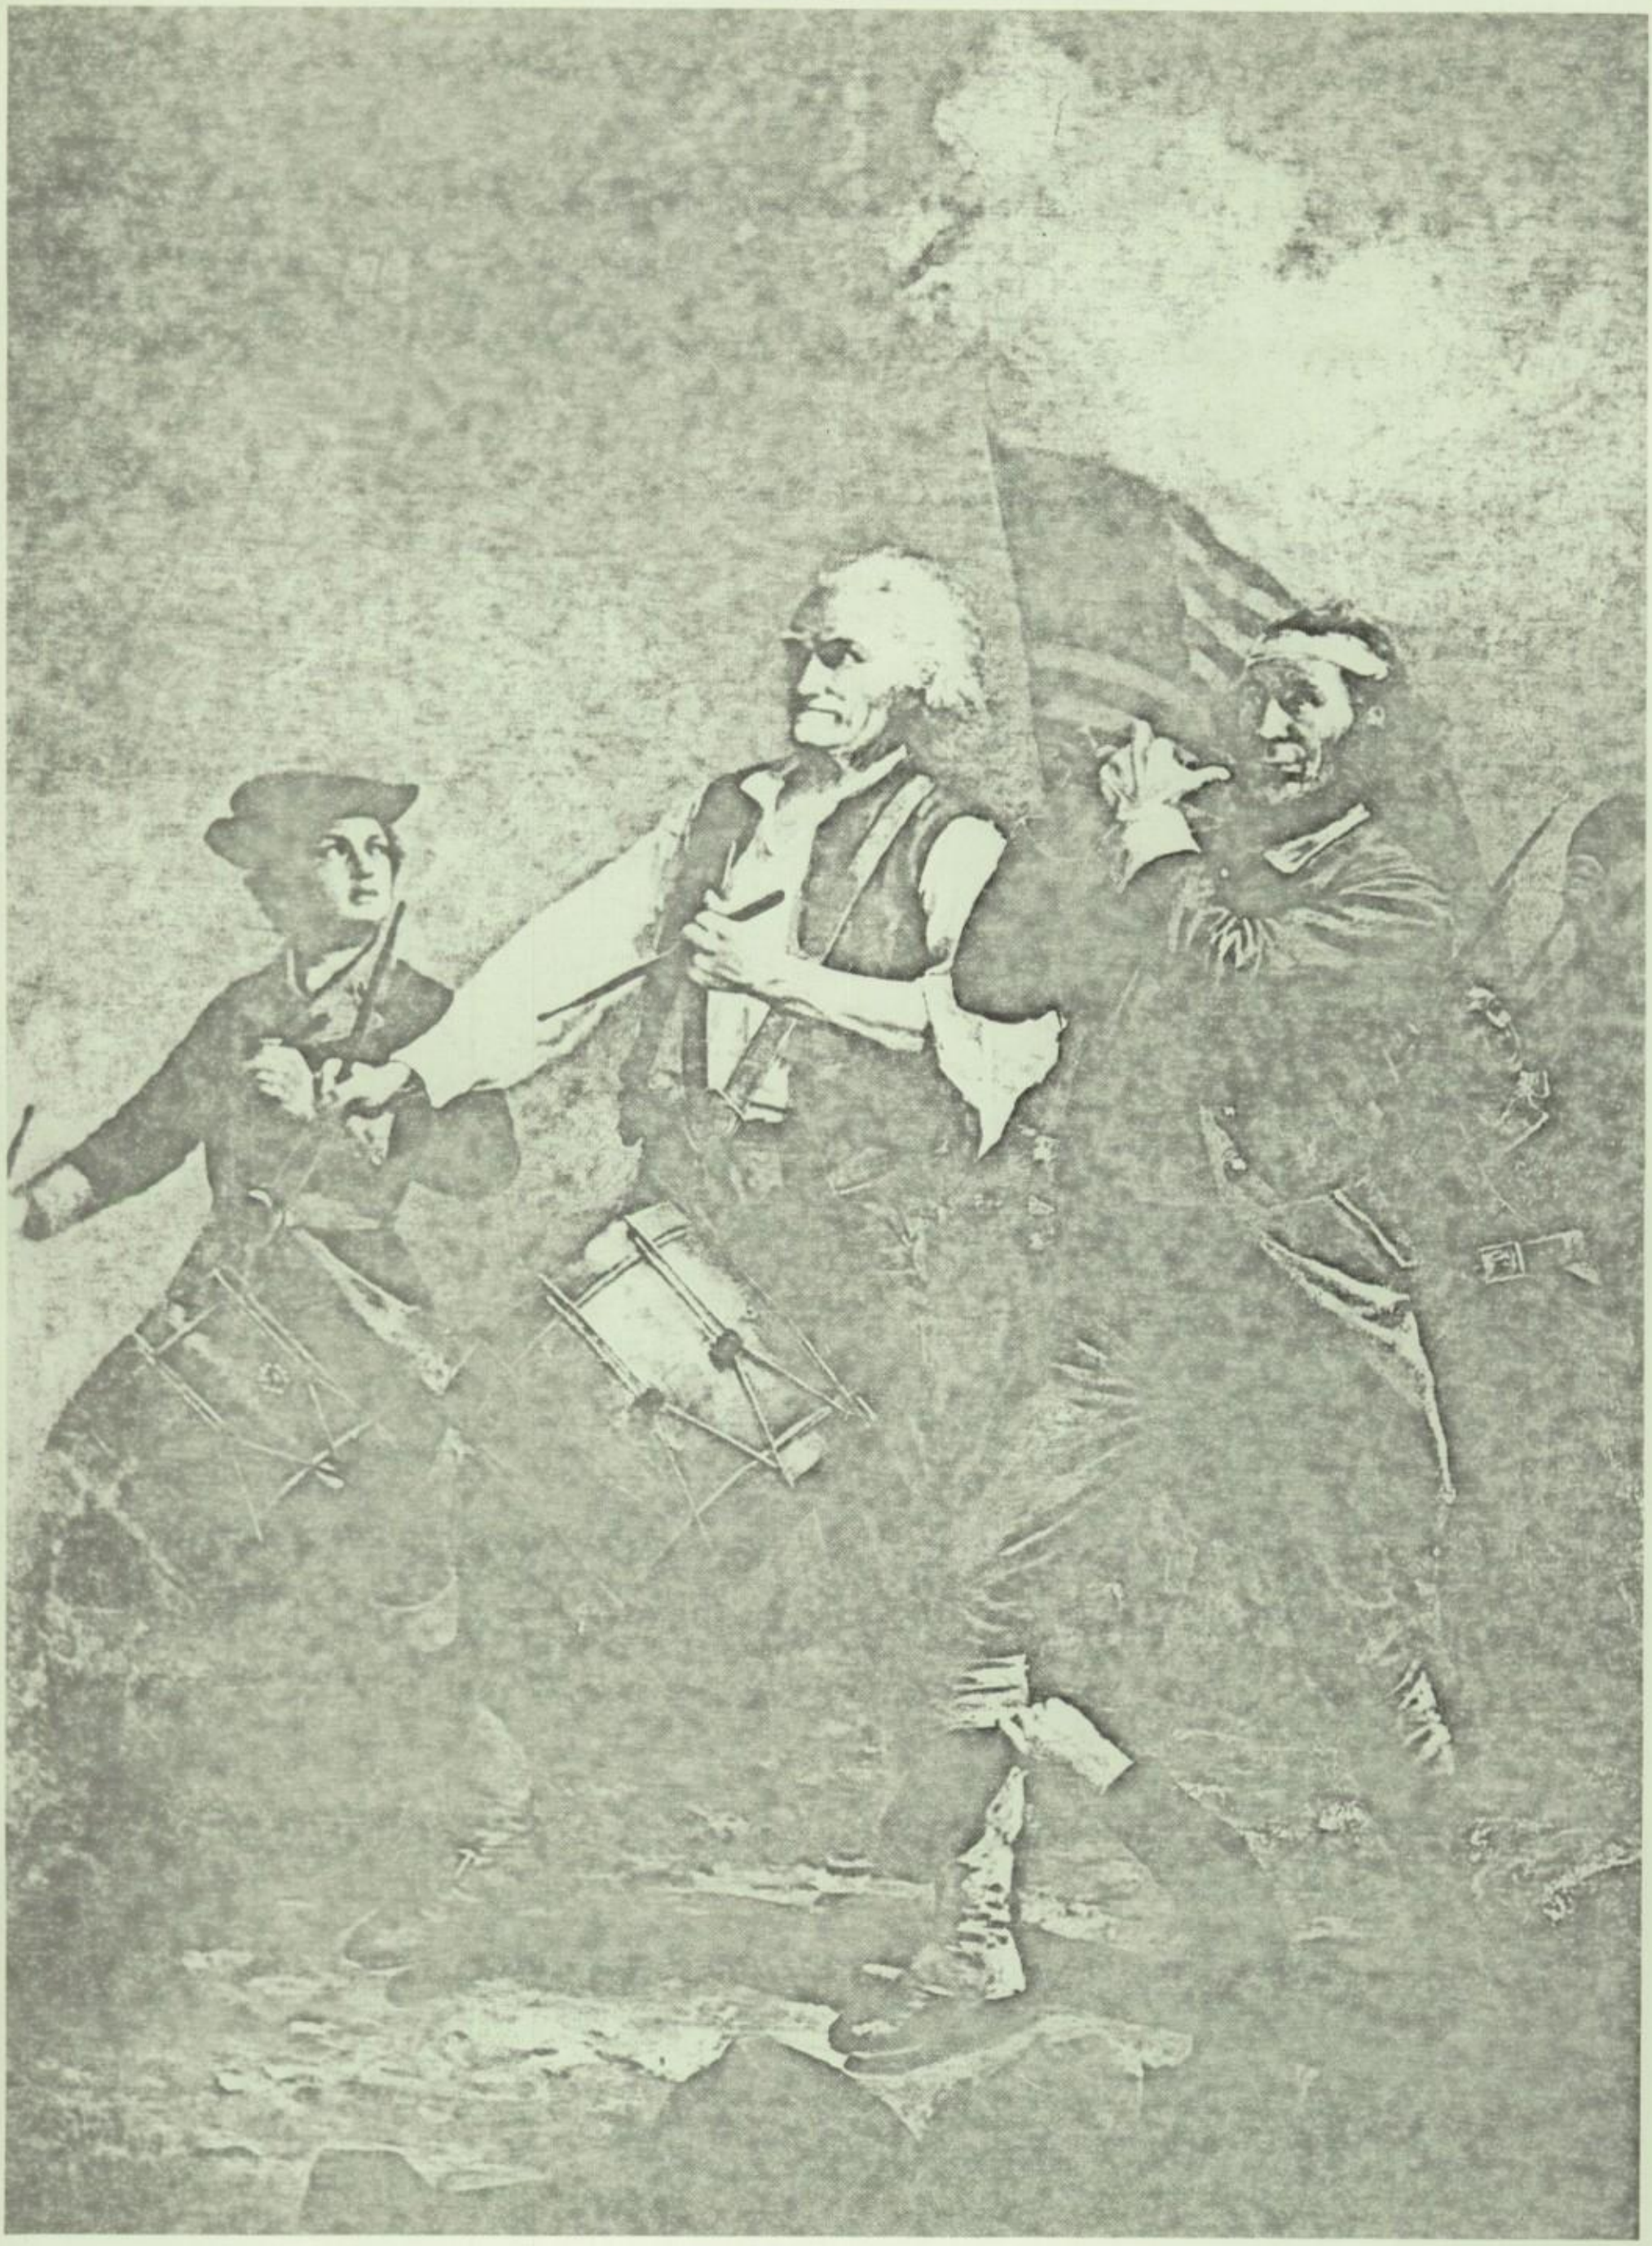
Freda,
Well dear, it looks like
it's just about over for
us old timers. I'll ever
make it through this damn
English class I'll rejoice!!
I'll be really enjoyed growing
up with you and being in a lot
of your classes throughout the
years. It's been fun but I'm
glad it's over. I hope you will
always remain sweet and Freda.
I wish you the best of everything
life has to offer. See you around.
Love always.
Mark

Freda
It has been a great
4 years at NRHS. I hope
you have enjoyed them as much
as I have. Always remember the wild
times we've had in history - esp. with
the "Idiot" who sits between us.
Take care of yourself & best of luck
in the future.
Love Always,
Chip Baker



1976!
A year to celebrate!
How good it is to be an American!

But don't we take
too many things
for granted . . .

This year of our nation's birthday
should be one of gratitude and reflection
for all of us.

Thanks
It's been nice
knowing you - this
year. I hope you good
luck in the future
Love
Diane

Let us pause . . .
. . . and be grateful
for the freedom God has given us

You just take people ~~it~~ like that too, too serious. Throughout the years we've cut each other down, but I don't think either one of us meant anything ~~bad~~ by it.

Whenever I get into trouble, I'm going to be calling you. When I'm in jail, I'll say: "I want to call my lawyer, Freda Mae Austin." You'll probably come running & just die laughing.

I'm going to end this reminiscing. (I think that's how you spell it.) Be Sweet for you are & always will be one of my very dearest friends.

Trudy,

As school draws closer to an end I realize that I won't be seeing you that much. But there's always a telephone, which was invented by Alexander Graham Bell. (In case you don't know your history, I thought I'd tell you about the telephone.) Life has a strange way of keeping good friends apart, if he wants to. Maybe once in a while, he (life) will let us cross each others paths someday.

I hope you can find what you want out of life, & keep it. I guess I'll say this so it can help your ego "You deserve the Best, because you are the best."

Remember all those crazy times in the 8th grade. Throwing wet paper towels on the ceiling & you trying to make some time with "SUPER". I don't know what I would have done without you helping me talk to Buddy. I had a good time listening to yall cutting-up. Remember how Buddy use to kiss me at school.... He'd look around to make sure no one was looking and then.... I'd get a peck on the lips. That is if he was aiming right. Then he'd walk off like he didn't do nothing. I sure do love Buddy.

I hope you & Jimmy go ~~along~~ a long way together. Although he is hateful... I guess you do love him. But don't let him know that... Let him keep wondering! Let him suffer, worry, & all that nice stuff.

I still wouldn't have listened to Jimmy and Gordon when they called you "Gopher." They're just dumb. I wouldn't (if I were you) have had a retainer put in my mouth. (cont. over)

Freda,

I really don't know where to start but I guess I should start with those razor-sharp fingernails. You sure did leave some nice marks. I really do appreciate you're help when I was sick. It would have been hell without it. I enjoy cutting up with you even if you do get the worst end of the deal. Contrary to what you may think by now, I'm not a devil. Well, that just about sums up the year, hitting all the weak points. I'm sure I'll see you around this summer & I'm looking forward to it. Best of Luck in the Future.

Love you
Jim Shuping

Freda,
In this small space
I can't even begin to
know you & express
this year. I think
a really great person &
great looks also.
Best of luck in
whatever you
do.
Love
Don

Freda,
I've really got to know
you this year & you're a
real sweet person. I hope
you get what you want
in the future. May be
I'll see you this summer.
So good luck & Take care
Love always

Freda, I really enjoyed getting to know you this year all the time I've said I hope you didn't take me seriously I'm hardly ever serious. Be good. All the luck in the future with you.

Freda,
